2. Dosing pump is to be provided for pumping of chemical at Sr. No. 5.

B. Specifications of the Material

As mentioned above.

C. Mode & Schedule of payment

Negotiable.

D. Financial terms & conditions

- a) The earnest money of the tenderers will be forfeited to Sugar Mills account if they withdraw their offer/rates or modify the terms & conditions of the tender during the validity of their offer. After acceptance of their offer, if any party does not execute the agreement as per terms & conditions of the order, the party shall be delisted/debarred for future dealings and their earnest money/security amount shall be forfeited.
- b) **Parties are requested to exercise their choice to quote special cash discount for payments within a week of the supply.**
- c) **“Supplier shall be entitled to a claim @ 12% p.a. interest if the due payment is delayed beyond 15 days of the prescribed/agreed time without any prior intimation of valid reasons by the Management.**
- d) **Price Fall Clause**

The tenderer shall furnish a certificate in their offer that the rates quoted by them are the lowest possible which they have quoted to any of their consumers during the currency of the contract period. However, if they ever feel constrained to quote lower rates to any of their customer during the said period, they undertake to intimate the same immediately to the Sugarfed/particular Sugar Mills and allow the same reduction in rates automatically. If they violate this undertaking and the Sugarfed/particular Sugar Mills come to know of such reduction on their own/through their own resources, then the Sugarfed/its Sugar Mills shall be entitled to recover the double the difference in such rates on the entire quantity purchase alongwith cost and damages from supplier.

f) **Dispatch Delivery Conditions**

- i) F.O.R. - Sugar Mills, Meham
- ii) Packing & Forwarding - Nil
- iii) Delivery period - As above.

g) **Taxes & Duties**

- i) Rate of VAT/CST : Extra as applicable.
- ii) Rate of Excise Duty : Extra as applicable with Modvat

D. General Conditions

- i) All the documents to be submitted by the tenderers with their offer should be duly authenticated by some responsible authority in case the same are copies of original documents.
- ii) The tenderer shall furnish a certificate in their offer that the rates quoted by them are the lowest possible which they have quoted to any of their customers during the currency of the contract period. However, if they ever feel constrained to quote lower rates to any of their customer during the said period, they undertake to intimate the same immediately to the particular sugar mills and allow the same reduction in rates automatically. If they violate this undertaking and the particular sugar mills comes to know of such reduction on their own/through their own resources, then the sugar mills shall be entitled to recover, double the difference in such rates.

E. PUNITIVE PROVISIONS/LEGAL CONDITIONS

- 5. The supplier will be responsible for any late irregular and non-supply of the material(s) to the mills. In that event the Sugar Mills will arrange the material from the market at the risk & cost of the supplier and the supplier will be responsible for all the losses suffered by the Mills on this account.

F. SUBMISSION OF TENDERS

- 6. The tender form shall be in two parts i.e. Technical Bid and Financial Bid. Both bids shall be submitted in separate covers/envelopes. Technical Bid will be opened first. Earnest money for Rs.----- in the form of Demand Draft shall be submitted with the Technical Bid. The proforma

- for both bids are given in Tender Form-I and Tender Form-II respectively. Sealed tender should reach in this office latest by 13.10.2015 at 5.00 P.M.

Subject:- Tender form for Digital Polarimeter.

Name & Address of the party:

Ph. No. _____ Mobile No. _____ Fax No. _____

S.No.	Description	Make	Qty.
-------	-------------	------	------

1. Digital Polarimeter as per specifications which are as under: 1 No.

Principle : Digital Polarimeter based on optical Null principle.

Modulator : Faraday magneto-optical modulator.

Light source: Incandescence lamp plus interference filter, wavelength 589.44mm.

Minimum sample transmittance : 1%

Multifunctional LED display : Large & bright

Range of measurement(Sugar scale) : +120 deg. To – 120 deg.

Minimum value in sugar scale : 0.01

Available minimum sample transmittance : 1%

USB Interface : RS-232 port

Sample tube : 100mm,200mm

Measuring : >Specificrotation, International Sugar Scale, Optical rotation,

Concentration

Power supply : 220V+-22Vm50Hz,+/-1Hz

Eligibility Criteria:

1. The digital polimeter should have supplied at least 02 Nos. in the Sugar Mills attach proof.
2. The party must be dealing with the instrument being used in the Sugar Mills attach proof.

Terms & Conditions:-

1. The party will supply the above instrument install and commission in the Mills Laboratory.
2. The performance of the instrument should be accurate.
3. The performance guarantee will be for the one crushing season. The party will Set right/replace any defect on free of cost during the performance period.
